**2021**

*Dear colleagues,*

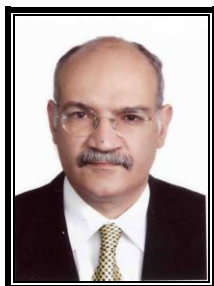

**On behalf of MEPOS & EOA, we welcome you in Cairo to  
The 8<sup>th</sup> Middle East Pediatric Orthopaedic Society (MEPOS)  
in Collaboration With EOA**

This year we tried to gather the pediatric orthopaedic surgeons in Cairo where *ancient* history meets modernity. We anticipate captivating presentations and workshops by internationally recognized experts. Despite the COVID-19 pandemic EOA & MEPOS continued their mission providing continuous education, exchanging knowledge and sharing innovative new ideas in pediatric orthopaedics. The 2021 meeting will be hybrid with face to face and virtual parts.

Join us at the Semiramis Intercontinental- Cairo Hotel, in the heart of *Cairo* on the banks of the River Nile and in the heart of the city, close to the unmissable Egyptian Museum and the bazaars of the Egyptian capital as well as the Opera House, famous Cairo Tower, and the Citadel. We look forward to your participation in what promises to be a unique Congress.
